Mini burgers for mini kids

Lots of little kids love hamburgers, but many have a hard time wrapping their hands around their mammoth size. **New York Burger Co.** has mini burgers sized just for little fingers. The burgers are suitably downsized in price, too, from \$2.75 for a plain, to \$3.25 for ones with cheese and bacon, onion and cheese or mushroom and onion. New York Burger Co. also just started hosting birthday parties, where you can rent out the whole restaurant and custom design a birthday burger. 303 Park Avenue South, between 23rd and 24th Streets, (212) 254-2727.
